

## Instructions for Family Groups

- Please bring your costumes to rehearsal Sunday.
- Bring all items in a flat-bottom bag. A paper grocery bag is perfect for this. Put your name on the outside of the bag.
- Choose Black Soled shoes so they won't scuff the painted floor.
- Put your shoes in the bag first. Neatly fold your clothing items and place them on top of your shoes. Accessories on top.
- Each item of clothing must have a washable name tag attached.
- Once we know exactly what everyone is wearing, there will be no substitutions. We want everyone to look their best, and we also want the group altogether to look great.
- You must leave all costume pieces at the theatre until strike.

Thank you
