

Make Up Expectations for Joseph

Our Director would like to see “heightened street make up” for use in the show.

What does this mean?

ADULTS

Base/Powder

Eye Liner

Mascara

Lip Color

Light brush so you don't wash out.

EXCEPT

For Latanza and her dancers. At the top of Act 2 for *Song of the King*-they have time to do a make-up addition. Flashier for that. Darker lips, bigger eyes. We will chat more when you know exactly the costume situation.

FOR KIDS

Kids don't **HAVE** to have make up. But if they want and their parents are okay with than please do the following:

Blush

Mascara

Light lip color

IMPORANT!

Definitely best if things like mascara and eye liner aren't shared if at all possible. Hopefully what's needed is right at home. Nothing fancy is needed.

All Make-up must be ready to go and used starting at the July 22nd Dress Rehearsal

If you have any questions, please talk to Autumn.

Thank you
